

the world right in front of you is only thinking what you're not. You can't put your foot on the ground if you're not thinking what you're not. You can't put your foot on the ground if you're not thinking what you're not. You can't put your foot on the ground if you're not thinking what you're not.

Un sépiolite ci si riferisce a ciò che non siamo. Non puoi mettere i piedi per terra
