

**Ange plein de gaieté, connaissez-vous l'angoisse, La honte, les remords, les
sanglots, les ennuis, Et les
vagues terreurs de ces affreuses nuits**

Qui compriment le coeur comme un papier qu'on froisse ?

Ange plein de gaieté, connaissez-vous l'angoisse ?

Pictures of angels and their wings are a popular choice for many people. The image above is a beautiful example of a large, feathered wing. It is a close-up shot, showing the intricate details of the feathers. The wing is spread wide, and the lighting is soft, highlighting the texture and color of the feathers. The background is a plain, light color, which makes the wing stand out. This image is a great example of the beauty and grace of angels.
